*for a smarter workforce*

**PROGLOVE** - for a smarter workforce

# Digital optimization of logistics processes with intelligent wearables.

Innovation Pitch Intralogistics  
Aaron Windmüller  
ProGlove  
BVL Webinar

**PROGLOVE** - for a smarter workforce

# MISSION

The **human workforce** is at the **core** of what we do. Therefore, we develop integrated hard- and software **solutions to empower** the workforce, and aspire to be the leader in industrial **wearables** and **software** that enables a **smarter workflow**.

“  
**THE HUMAN  
WORKFORCE  
IS AT THE  
CORE OF  
WHAT WE DO.**  
”

**PROGLOVE** - for a smarter workforce

# ProGlove Cloud

## DATA FOR ACTIONABLE INSIGHTS

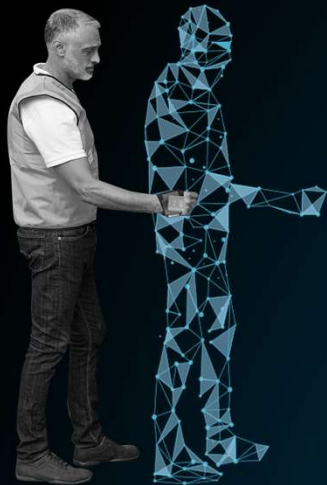

- Real-time process monitoring
- One click update and feature upgrades
- Automated reports
- Mobile Device Management
- Secure Cloud Environment
- End-to-End information

PROGLOVE - for a smarter workforce

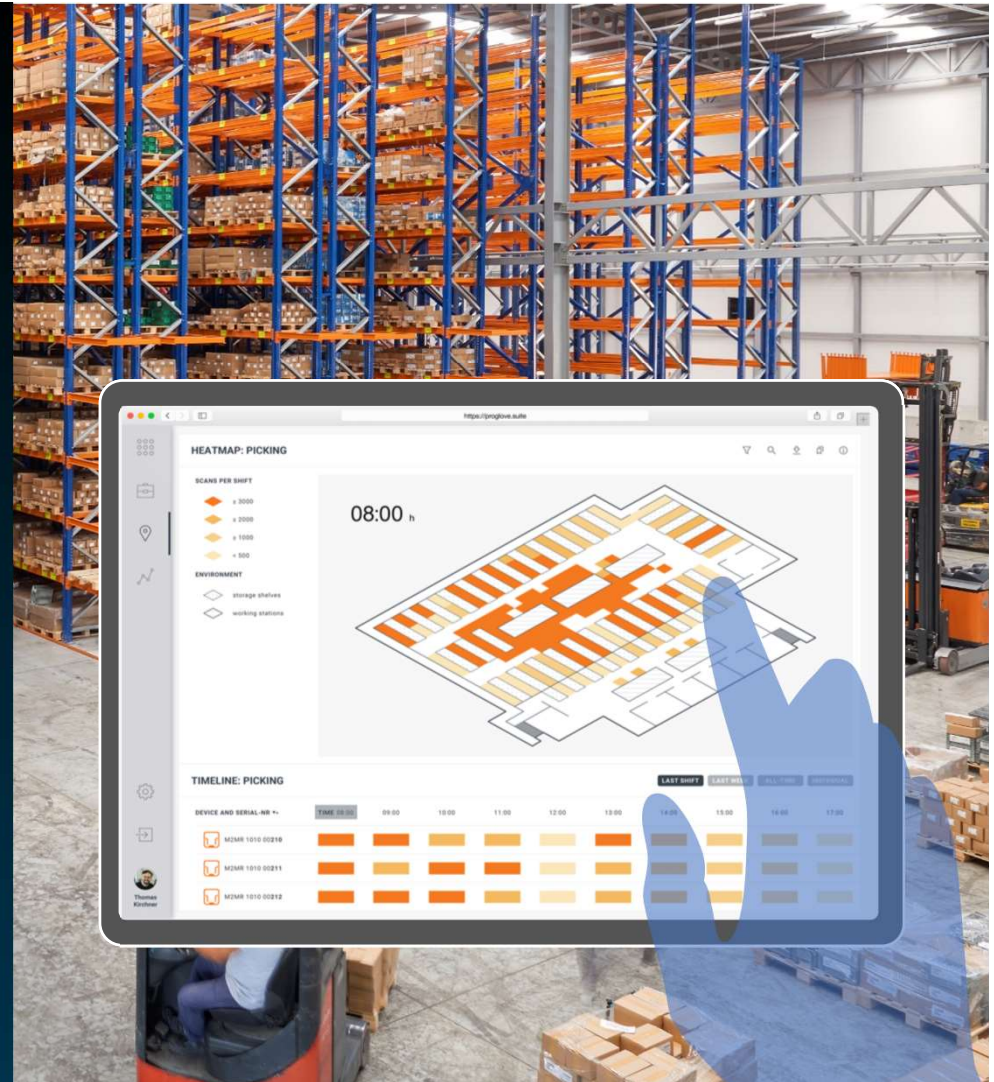

# Cloud Vision

## HUMAN DIGITAL TWIN

### HEATMAPS FOR FULL TRANSPARENCY

- Identify bottlenecks
- Optimize warehouse layout
- Analyze changes in put away/picking strategy
- Monitor seasonal workflows

**PROGLOVE** - for a smarter workforce

# Thank you
